

New! 4-in-1® 3.3" Motor

“One Simple Connection Is All You Need”

Features

- ✓ Class B Insulation
- ✓ Open
- ✓ Single Shaft
- ✓ Shaded Pole
- ✓ Heavy Duty Ball Bearing
- ✓ Thermally Protected
- ✓ Single-Speed
- ✓ Four studs on each end with extra mounting nuts

Benefits

- One motor replaces 1/25, 1/30, 1/40 & 1/50 horse powers with one simple connection
- Replaces hundreds of the most popular 3.3" motors currently installed
- Great truck stock motors and a must-have for any contractor who offers 24-hour emergency service
